You are invited to a
Winter Dessert Social

- ❖ **Wednesday, February 11, 2015, 7:30 P.M.**
- ❖ **Hillcrest Alliance Church, 911 Hillcrest Avenue**
- ❖ **Hosted by the Hillcrest Neighborhood Association**
- ❖ **Visitor from the Roseville Police Department**

We would love for you to join us for a social activity to get to know some of your neighbors. Whether you own your home or rent it, you are welcome to attend. This will be a potluck-style event, so please bring a dessert to serve 8-12 people. We are holding it at Hillcrest Alliance Church this quarter (as opposed to the Cirby Elementary School Library).

In an effort to encourage residents to become more energy-efficient, the City of Roseville's electric utility has established an incentive for residents to replace their pre-existing incandescent light bulbs with new, energy-efficient LED light bulbs that are being sold at a discounted price at certain local locations. Among the participating retailers are Ace Hardware and Arezzo Lighting, but call before driving over, as their shipments sell out quickly.

Since our last community meeting on November 12, 2014, Bill Williamson stepped down from the RCONA Representative position, and Lisa Morris took his place. Our president, Darby Anderson, was acting as the alternate RCONA representative, but our secretary, Andrea Hilderbrand, has now taken over in this position. We are also excited to welcome Kevin Meng to the Hillcrest board as our new member at large!

Board Members: Darby Anderson, President; Steve Lutz, Vice President; Peggy Greene, Treasurer; Andrea Hilderbrand, Secretary; Lisa Morris, RCONA Representative and Newsletter Editor; Bill Foster, Member At Large; Kevin Meng, Member At Large

Police Update

At our last community meeting, Officer Bryan Hays from the Roseville Police Department (bhays@roseville.ca.us)

spoke about the recent crime activity in our neighborhood, which has been pretty quiet and "boring." He suggested registering for Alert Roseville to receive emergency notifications and other important community news. Visit www.roseville.ca.us/alertme.

Water Update

At the last RCONA meeting, Sean Bigley, Roseville's Environmental Utilities Administrative Analyst, informed us that Sacramento area residents are down to 73 gallons of water use per day, compared to 77 gallons per day used by Los Angeles residents (per The Sacramento Bee). Also, for the City of Roseville, there has been approximately a 20% reduction in water usage in 2014 compared to 2013, and approximately a 30% reduction for the month of November specifically.
