Leading Lady Living Among Us

June Wanish has been a long-time resident of the City of Roseville. She attended Roseville High School in the 1940s and was elected by an overwhelming majority to the City Council in 1978. She subsequently became the first female mayor in Roseville's history.

On June 14, 2014 the Vernon Street Town Square stage was named the June Wanish Stage in honor of her dedication to the City of Roseville. The plaque on the stage is a quote from June, "The ARTS add to the quality of life in Roseville: Music; Dance; Painting; Drawing; Theatre Arts; Youth Education; Preservation of our History. These things make our community a better place to live and raise our families."

Do you have any historical information or stories about our neighborhood that you would be willing to share? We would love to hear them! Please let us know at the community meeting or via Nextdoor if you are willing to contribute.
